

**YOUNG
DEFENCE
SCIENTISTS
PROGRAMME**

**STEP
INTO YOUR
FUTURE**

JOIN OUR YOUNG DEFENCE SCIENTISTS PROGRAMME (YDSP)

for an out-of-classroom, innovative learning experience with Singapore's top defence engineers, software developers, cybersecurity experts and research scientists.

LEARNING BEYOND CLASS-ROOMS

Since 1992,

YDSP has played host to promising bright minds, stimulating their interests with exciting activities designed to nurture their potential.

DISCOVER YOUR JOURNEY IN YDSP

(OUR PROGRAMMES)

**ARE YOU A BUDDING
DEFENCE ENGINEER,
SOFTWARE DEVELOPER,
CYBERSECURITY EXPERT
OR RESEARCH SCIENTIST?
TAKE THE FIRST STEP
TOWARDS DEFINING
YOUR TOMORROW!**

YDSP SCIENCE & TECHNOLOGY CAMP

(FOR YEAR 2 TO 5 STUDENTS)

- A week-long camp that's like no other!
- Be in the know about all things in the areas of Engineering, Infocomm Technology and Cybersecurity through eye-opening lectures and hands-on workshops.
- Bring your ideas to life and solve challenges with like-minded friends.
- Get up close with our defence engineers, software developers, cybersecurity experts and research scientists as they share their knowledge and experiences.

YDSP SCHOLARSHIP

(FOR YEAR 3 STUDENTS)

- Fuel your passion further with the YDSP Scholarship!
- Be recognised for your interest and academic excellence in science and technology.

SCIENTIFIC CURIOSITY

YDSP WORLD OF SCIENCE

(FOR YEAR 4 AND 5 STUDENTS)

- Dive deep into a specific area of interest and explore advanced science concepts beyond the school curriculum!
- Enjoy plenty of hands-on sessions that bring knowledge to life!
- An enriching one-week programme where you will discover advanced topics ranging from Advanced Physical Sciences to Infocomm Technologies that are critical to Singapore's defence.

RESEARCH@YDSP

(FOR YEAR 4 AND 5 STUDENTS)

- Experience the exciting and meaningful work in the world of defence!
- A hands-on opportunity to work on defence-related projects and solve real-world challenges.
- Be mentored by top defence engineers, software developers, cybersecurity experts and research scientists from DSTA and DSO.

CONNECTING TALENTS

YDSP CONGRESS

(FOR ALL YDSP PARTICIPANTS)

- Celebrate the success of all our YDSP activities for the year!
- Hear about the exciting learning experiences from participants of YDSP Science & Technology Camp and YDSP World of Science.
- Gain insights into the defence projects by our Research@YDSP participants.
- Congratulate young talents who will be presented with the YDSP Scholarship.

ACTIVITIES FOR YEAR 1 TO 6 STUDENTS

**DO LOOK OUT
FOR US!**

**INSPIRING
TEAMWORK**

We also collaborate
with schools to offer activities in
the areas of Engineering, Infocomm
Technology and Cybersecurity.

LET'S GET IN TOUCH!

**You may seek
your teacher's
help on your
application to
any of the YDSP
programmes.**
