Defence Technology Prize 2022 Individual (Research & Development) Award Winner

Dr Chieu Hai Leong

DSO National Laboratories

CITATION

Dr Chieu Hai Leong, Distinguished Member of Technical Staff from DSO National Laboratories, has played a pivotal role in the build-up of the natural language processing (NLP) capabilities in DSO. He has led individuals and teams to develop advanced NLP technologies for defence applications. He is one of the leading local experts in NLP with well-cited publications and he collaborates widely with local and international researchers to build technologies that expedites data processing and analysis. In recognition of his outstanding achievements and contributions, Dr Chieu is awarded the DTP2022 Individual (R&D) Award.
