

SINGAPORE DEFENCE TECHNOLOGY SUMMIT

26-28 June 2019

PROLIFERATION OF **TECHNOLOGY** AND ITS IMPLICATIONS ON **DEFENCE, SECURITY AND SOCIETY**

Keynote Address by

Mr Teo Chee Hean

Senior Minister and Coordinating Minister for National Security, Singapore

Welcome Address by

Dr Ng Eng Hen

Minister for Defence, Singapore

The advent of new technology has increased the complexity of the global defence and security landscape. The Defence Science and Technology Agency will be hosting the **Singapore Defence Technology Summit (Tech Summit) 2019** to expand on insights gained from the 2018 inaugural summit with the theme “Impact of the 4th Industrial Revolution on Defence and Security”.

For Tech Summit 2019, we will examine domains such as artificial intelligence, sensors and drones pioneered by the military but rapidly adopted for commercial use, and discuss how these developments will impact defence, security and society. We will also explore how breakthroughs in neuroengineering and space will shape our future, and more.

Attendees include:

- Defence technology policy makers
- National Armament Directors and Chief Technology Officers
- Government Chief Technology Officers
- Chief Executive Officers and Chief Technology Officers from the industry
- Thought leaders from academia and think tanks.

P R O G R A M M E

Wednesday 26 June 2019
